Instructions

Requirements for a valid New York State extension

- You must file Form CT-5 and pay the properly estimated franchise tax and MTA surcharge on or before the original due date of the tax return for which this extension is requested.
- The properly estimated franchise tax and MTA surcharge must either:
 - Equal or exceed the franchise tax and MTA surcharge shown on your tax return for the preceding tax year (if it was a tax year of 12 months); or
 - Equal or exceed 90% of the franchise tax and MTA surcharge as finally determined for the tax year for which this extension is requested.

The *preceding tax year* is the tax year occurring immediately before the tax year for which this extension is requested.

The *franchise tax* is the amount of tax computed after the deduction of any tax credits and before the addition of the MTA surcharge.

The franchise tax and MTA surcharge for the preceding tax year must be adjusted as necessary to correct errors in computation or in the application of tax rate or tax base.

Who may file Form CT-5

General business corporations (Article 9-A), banking corporations (Article 32), insurance corporations (Article 33), and businesses taxed under Article 13 may file Form CT-5 to request a six-month extension of time to file the appropriate tax return and MTA surcharge return. **Do not use separate forms** if you are requesting an extension to file **both** the franchise tax and MTA surcharge returns. Use lines 1 through 5 to compute the estimated franchise tax. Use lines 6 through 10 to compute the estimated MTA surcharge. Submit only one payment of the combined amount for both franchise tax and MTA surcharge.

Corporations filing a combined form (CT-3-A, CT-3-S-A, CT-32-A, or CT-33-A) must use Form CT-5.3 to request a six-month extension of time to file.

New York S corporations not included in a combined return must use Form CT-5.4 to request a six-month extension to file Form CT-3-S or CT-4-S.

Article 9 taxpayers, except providers of telecommunications services, must use Form CT-5.9 to request a three-month extension to file a franchise tax return and MTA surcharge return. Providers of telecommunication services must use Form CT-5.9-E, *Request for Three-Month Extension to File Form CT-186-E or Form CT-186-EZ (short form)*, to request an extension to file Form CT-186-E, *Telecommunications Tax Return and Utility Services Tax Return*, or Form CT-186-EZ (short form).

Extensions of time for filing returns

A six-month extension of time for filing a franchise tax return or MTA surcharge return will be granted if Form CT-5 is properly filed and if properly estimated tax is paid on or before the original due date of the return.

No late filing or late payment penalties will be imposed if you file your return by the extended due date and pay the balance of the tax due with your return.

Interest applies to any tax not paid by the original due date of the return.

If applicable, you must also pay the mandatory first installment of estimated tax for the next tax year shown on lines 2 and 7 on or before the original due date of the tax return.

When and where to file

File Form CT-5 on or before the due date of your tax return.

Type of corporation	Due date of extension
Businesses filing Form CT-13	4½ months following the end of the tax period
Taxable DISCs	8½ months following the end of the tax period
All others	2½ months following the end of the tax period

If you cannot file within the six-month extended period, you may request two additional three-month extensions by filing Form CT-5.1 for each extension.
